

SUPPLEMENTAL TYPE CERTIFICATE

EASA.A.S.03719

This Supplemental Type Certificate is issued by EASA, acting in accordance with Regulation (EC) No. 216/2008 on behalf of the European Community, its Member States and of the European third countries that participate in the activities of EASA under Article 66 of that Regulation and in accordance with Commission Regulation (EC) No. 1702/2003 to

Gomolzig Flugzeug- und Maschinenbau GmbH

**Postfach 466
58317 Schwelm
Germany**

and certifies that the change in the type design for the product listed below with the limitations and conditions specified meets the applicable Type Certification Basis and environmental protection requirements when operated within the conditions and limitations specified below:

Original Product Type Certificate Number: CAA UK BA8
Type Certificate Holder: Britten Norman
Model: BN-2A-26, BN-2A-27, BN-2B-20, BN-2B-26, BN-2A-21
Original STC Number: LBA STC 0279/2038

Description of Design Change:

Installation of Exhaust System Gomolzig BN2-606500.

Associated Technical Documentation:

- According to Gomolzig Master Document List MDOCL_19057_rev0_27112008, or later Revisions.
- To be operated and maintained in accordance with approved Gomolzig Documents Flight Manual Supplement SPOH_19057_rev0_27112008 and Installation Instruction II_19057_rev0_27112008 or later approved Revisions (Maintenance Instructions are part of this document).

Limitations and Conditions:

1. Prior to installation of this modification the installer must determine that the interrelationship between this modification and any other previously installed modification will introduce no adverse effect upon the airworthiness of the product.
2. The installation of this modification by third persons is subject to written permission of the approval holder and disposal of the approved appropriate documentation.

This Certificate shall remain valid unless otherwise surrendered or revoked.

For the European Aviation Safety Agency,

Date of issue: 04 December 2008
